## SISTER DEBRA ADAMS

is a faithful and loyal member of our ministry. She is dedicated to her call... "Ms. Hospitality" ! As a young lady, she would frequent our services with her mother and sister. She always possessed a heart that was "tender" towards God, but didn't seem to understand how to embrace her new walk with Christ. Sister Debra continued to visit our services until she received a mindset change and a "heart transplant"....with a total surrender to God and His will for her life. She currently walks in newness of life. We are excited to have Sis. Debra as a willing worker of GEM. Her love for cooking and serving is an asset to the body of Christ because she does it with excellence and precision.

We, the members of GEM are grateful for your acceptance in helping us welcome others to the body of Christ and our church family!

### "BE ENCOURAGED"

We often wonder what this country will look like after this election. We wonder what the future holds. While we know not what the future holds, we know who holds the future. In a world where we have our personal issues, in a world full of racism and hate, in a world where evil and chaos seem to dominate, in a world where our society is confused, where justice and human rights seems not to matter, where the constitution is overlooked, and where the Ten Commandments are neglected, we must BE ENCOURAGED AND ENCOURAGE OTHERS. Taking time to encourage ourselves and others is a way to motivate us to keep moving forward. We must speak Words of Affirmation. Imagine a church/world that speaks positive life into others instead of tearing each other down. The future looks brighter when we are working together for an outcome that speaks peace. We should take time to call that person who is on our heart and encourage them to hold on. Be that light that is needed when people can't see their way. In the words of the song, "Be Blessed my brother. Be Blessed my sister. Be Blessed wherever this life leads you. Let me Encourage you, let me speak life to you. You can depend on God to see you through. You can depend on me to pray for you". BE ENCOURAGED!!!
